Stitching Instructions for Cozy Crochet Slipper Socks Pattern:

Toe/Foot

- **Round 1:** Begin by creating a magic ring. Work 10 **dc** into the ring. Pull the ring closed tightly.

Join with a **slst** to the top of the third **ch** from the beginning. This forms the base of the toe. (10 **sts**)

- **Round 2: Ch 2** (does not count as a **st** here or in later rounds). Work 2 **FPdc** into each **st** from the previous round.

This increases the size of the toe. Join with a **slst** to the first **FPdc** of the round. (20 **sts**)

- **Rounds 3–14: Ch 2.** Work 1 **FPdc** into each **st** around, keeping the fabric smooth and stretchy for a snug fit. Join with a **slst** to the first **FPdc** of the round. Maintain the same stitch count (20 **sts**) throughout these rounds.

- *Custom Fit Note:* To adjust the length of the slipper sock for your foot, add more rounds for a longer sock or work fewer rounds for a shorter sock.

Heel Shaping

- **Round 15: Ch 2.** Work 2 **FPdc** into each of the first 5 **sts** to create a gradual curve for the heel.

Work 1 **FPdc** into each of the next 10 **sts**, then work 2 **FPdc** into each of the last 5 **sts**. Join with a **slst** to the first **FPdc**. (30 **sts**)

- **Rounds 16–18: Ch 2.** Work 1 **FPdc** into each **st** around, maintaining the heel shape and stitch count. Join with a **slst** to the first **FPdc** at the end of each round. (30 **sts**)
- **Round 19: Ch 2.** Begin shaping the heel back down to match the foot width. Work **FPdc2tog** (decrease) over the first 10 **sts** (resulting in 5 **sts**), work 1 **FPdc** into the next 10 **sts**, and then work **FPdc2tog** over the final 10 **sts** (resulting in 5 **sts**). Join with a **slst** to the first **FPdc**. (20 **sts**)

Ankle Shaping & Leg

- **Round 20: Ch 2.** Work 2 **FPdc** into the first 2 **sts**, work 1 **FPdc** into the next 5 **sts**, work 2 **FPdc** into each of the next 6 **sts**, work 1 **FPdc** into the next 5 **sts**, and work 2 **FPdc** into the last 2 **sts**.

This adds width to the ankle area for a comfortable fit. Join with a **slst** to the first **FPdc**. (30 **sts**)

- **Round 21 (Start of Shell Stitch): Ch 3** (counts as the middle **dc** of the first shell). Work 2 **dc** into the same **st** as the **ch** to complete the first partial shell.

Sk 2 sts, sc into the next st, sk 2 sts, work 5 dc into the next st (this is a full shell stitch). Repeat from around.

At the end of the round, work 2 **dc** into the same **st** as the first partial shell. Join with a **slst** to the third **ch** of the beginning chain.

- **Round 22: Ch 1** (counts as an **sc**). *Sk 2 sts, work 5 dc into the next st, sk 2 sts, sc into the next st. Repeat from* to the end of the round. Join with a **slst** to the first **ch**.
- **Repeat Rounds 21 and 22** six more times for a total of 7 rounds of shell stitch, creating a beautiful textured cuff.

Finishing

After completing the final shell round, fasten off the yarn, leaving a short tail. Use the yarn needle to weave in all ends securely, ensuring no loose ends remain.

Repeat the entire pattern to create the second slipper sock.

Enjoy your warm and stylish crochet slipper socks, perfect for cozy nights at home!
