

# Country Cottage Socks Crochet Pattern

## Materials Needed & Measurements:

- **Suggested Yarn:** Worsted weight yarn
- **Yarn Measurements:** 250-350 yards
- **Hook Size:** 4.5mm (G)
- **Finished Size:** Small (6-7), Medium (8-9), Large (10-11)
- **Other Tools:**
  - Scissors
  - Yarn needle
  - Stitch markers

## Abbreviations Used:

- **ch:** Chain
- **sl st:** Slip stitch
- **sc:** Single crochet

- **st(s)**: Stitch(es)
- **sc2tog**: Single crochet two together (decrease)
- **R1, R2, R3, etc.**: Row 1, Row 2, Row 3, etc. (for numbered rounds or rows)
- **sts**: Stitches (plural of stitch)

## Stitching Instructions for Making the Country Cottage Socks Crochet Pattern:

### Cuff:

- **Ch 14** (or adjust to fit your ankle).
- **Join** with **sl st** to first **ch** to form a ring.
  - Ensure your **ch** is not twisted.
- **R1: Ch 1** (does not count as a st), **sc** in each **ch** around. Join with **sl st** to first **sc**.
- **R2: Ch 1, sc** in each **st** around. Join with **sl st** to first **sc**.
- Repeat **R2** until the cuff reaches your desired length (usually 4-6 rows depending on preference).

### Leg:

- **R1**: After finishing the cuff, work in rounds. **Ch 1, sc** in each **st** around. Join with **sl st**.
- **R2**: Repeat **R1** for 5 more rounds (or adjust for desired length of the leg).
- Continue working in the round, joining each round with **sl st** at the end.

### Heel:

- **R1**: Work 7 **sc** into the first 7 **sts** of the round. Turn work.
- **R2: Ch 1, sc** in each **st** across the heel (7 **sts**). Turn.
- **R3**: Repeat **R2** for 3-4 rows until the heel flap is about 2-3" long, depending on foot size.
  - At the end of the heel flap, you will have a section worked back and forth.

### Gusset:

- **R1**: Turn work, and now work in the round again. **Ch 1, sc** in the first 7 **sts**, **sc** in the heel flap's edge (7 **sts**), and continue to the other side of the sock.
  - Mark the start of the round with a **st** marker.
- Continue working **sc** in rounds, adding gusset shaping by increasing in the corners for a snug fit, if desired.

### Foot:

- **R1**: After completing the gusset, continue working **sc** in the round until the foot reaches about 3-4" shorter than your foot's total length.
  - Check periodically by measuring from your heel to the tip of your toe. Adjust as needed by adding or removing rounds.

## Toe Decreases:

- **R1:** For the toe, begin decreasing by working **sc2tog** (single crochet 2 together) at the beginning and end of each round to taper the toe.
  - Work **sc2tog** at the start of the round, then **sc** across the next **sts**, and **sc2tog** at the end.
- Continue this decrease method in each round until only 6-8 **sts** remain.
- **R2:** When there are 6-8 **sts** left, finish off the round by cutting the yarn, leaving a long tail.
- **R3:** Use a **yarn needle** to gather the remaining **sts**. Weave in the yarn tail to close the toe.

## Finishing:

- **Weave in all loose ends** using your **yarn needle**.
  - Make sure ends are secure to prevent unraveling.
- **Block** the socks to set their shape, which is especially helpful if your yarn stretches. Blocking helps the socks maintain their shape.
- **Trim** any excess yarn with **scissors** after weaving in the ends.
- Your cozy Country Cottage Socks are now ready to wear.
