Instructions for Making the Castal Colorwork Scarf Pattern:

Scarf Construction

The scarf is worked lengthwise, starting with a foundation chain.

- **Beginning the Scarf:**
 - With **Yarn A** (Washington Denim Celestial Stripes), **chain (ch) 176**. This forms your starting foundation.
- **Row 1 (Right side):**
 - Work **one single crochet (sc)** into the **second chain from your hook**.
 - Continue to work **one sc in each chain stitch across** the entire row.
 - At the end of this row, you will have **175 sc**.
- **Row 2:**
 - **Chain (ch) 1**, then **turn your work**.
 - Working in **Front Loop Only (flo)**, work **one sc in each stitch across** the row.
- **Row 3:**
 - **Chain (ch) 1**, then **turn your work**.
 - Working in **Back Loop Only (blo)**, work **one sc in each stitch across** the row.
- **Change to Yarn B:**
 - After completing Row 3, **change to Yarn B** (Aspen Tweed).
- **Row 4:**
 - With Yarn B, **chain (ch) 4**. This chain of 4 stitches **counts as your first treble (tr) stitch**.
 - **Turn your work**.
 - Working in **Front Loop Only (flo)**, work **one tr in each stitch across** the row.
- **Change to Yarn A:**
 - Once Row 4 is finished, **change back to Yarn A**.
- **Row 5:**
 - With Yarn A, **chain (ch) 1**.
 - Working in **both loops** (standard crochet), work **one sc in each stitch across** the row.
 - **Turn your work**.
- **Repeating the Pattern:**
 - To continue building the scarf, **repeat Rows 2-5**.
 - After completing this sequence of repeats, **repeat Rows 2 and 3 once more**.
- **Last Row:**
 - The final row of the scarf is a **repeat of Row 2**.
 - Once this last row is completed, **fasten off** your yarn.

Finishing

After the scarf body is crocheted, the next step is to add the fringe and weave in any loose ends.

- **Preparing Fringe:**
 - For each individual fringe, you will need to **cut 1 strand of Yarn A and 1 strand of Yarn B**, with each strand measuring approximately **8 inches (20.5 cm)** long.
 - Hold these two strands together and **fold them in half**.
- **Attaching Fringe:**
 - Using your crochet hook, **draw the folded loop** of the fringe strands through the end of the Scarf.
 - Once the loop is through, **pull the loose ends of the fringe through this loop**.
 - **Pull firmly to tighten** the fringe securely to the scarf.
- **Placement and Trimming:**
 - You will **make 20 fringes** on each end of the Scarf.
 - Ensure the fringes are **spaced evenly** along both ends.
 - After all fringes are attached, **trim the ends of the fringe evenly** to create a neat finish.
- **Final Touches:** Finally, **weave in any remaining loose ends** using your large-eyed blunt needle.
