Instructions for Making the Easy Beginner Fringe Scarf Pattern:

Foundation Chain

- **Ch 22** (or any even number to adjust width). This forms the base of your scarf.
- Be careful not to twist the chain.

Row 1: Establish Foundation Row

- Starting in the **2nd ch from hook**, work **1 sc**.
- Continue placing **1 sc** in each ch across.
- At the end of the row, **ch 1 and turn**.

This row creates a sturdy foundation for the scarf.

Row 2: Begin Main Pattern

- Work **1 sc in first st**.
- In the next st, work **1 dc**.
- Alternate across the row: sc in next st, dc in next st.
- Continue until the last st, ending with a sc.
- **Ch 1 and turn**.

This alternating stitch pattern gives the scarf a lovely texture while remaining simple for beginners.

Row 3 - and All Remaining Rows

- Repeat the stitch sequence from Row 2.
 - Work **sc in first st**, then **dc in next st**, continuing to alternate across.
 - Each row should begin and end with a **sc**.
- Continue repeating until your scarf reaches your desired length (around 65-70 inches for a standard wrap).
- Do not fasten off yet; you'll use the yarn for fringe attachment.

Fasten Off

- Once you reach your desired length, cut the yarn leaving about a **6-inch tail**.
- Pull the tail through the last loop to secure.
- Weave in loose ends with a tapestry needle.

Adding Fringe

The fringe gives this scarf its signature look. Here's how to add it:

- **Cut Strands**
 - Cut yarn into pieces about **12 inches long**.
 - Each fringe group will use **3 strands**. Prepare enough for both scarf ends.
- **Attach Fringe**
 - Fold 3 strands in half to form a loop.
 - Insert your hook into the edge stitch of the scarf.
 - Pull the folded loop through the stitch, then pull the loose ends through the loop.
 - Tighten gently to secure.
- **Continue Across**
 - Repeat this process evenly across each end of the scarf.
 - Keep spacing consistent for a neat finish.
- **Trim Fringe**
 - Once all fringe is attached, lay the scarf flat and trim the ends evenly with scissors.

Customization Tips

- **Width:** For a wider scarf, start with more chains (always keep an even number).
- **Length:** Work more rows to make it longer, or fewer rows for a shorter version.
- **Colors:** Use a single solid yarn for a classic look, or alternate colors every few rows for stripes.
- **Fringe Style:** Experiment with shorter, longer, or even multi-colored fringe.

Finishing Touch

Once your scarf is complete and fringe is trimmed, give it a light steam block if desired. This will help even out stitches and give the scarf a polished look. Your cozy, handmade scarf is now ready to wear or gift!
