

Free Jelly Roll Twist Shortcut Quilt Pattern

Pattern Description:

The Jelly Roll Twist Shortcut Quilt is a fun and beginner-friendly pattern that finishes at 51 ¼" x 60".

It features bold "Twist Blocks" made by combining Jelly Roll strips with 5" charm squares, creating a striking, modern look. These blocks are joined into "Twist Rows" and then pieced together for a dynamic quilt center.

With simple strip sewing, easy cutting, and straightforward assembly, this pattern is perfect for showcasing colorful fabrics while producing a fresh, eye-catching quilt design.

Materials Needed & Measurements:

- **Fabric A (Jelly Roll):**
 - One "Hop, Skip and A Jump! Jelly Roll" OR thirty-four 2 ½" x width of fabric strips.
 - Used to create seventeen Strip Sets, each measuring 4 ½" x 42".
 - These Strip Sets are then subcut into:
 - Forty-four Long Piece Units, each measuring 4 ½" x 9".
 - Forty-two Short Piece Units, each measuring 4 ½" x 5".
- **Fabric B (Charm Pack):** One "Bella Solids Charm Pack (9900PP-98)" OR forty-two 5" squares.

- **Binding (Fabric C):**
 - ½ yard binding (21098-115).
 - Cut into 7 - 2 ½" x width of fabric strips.
- **Backing:** 3 ¾ yards backing (21701-17).

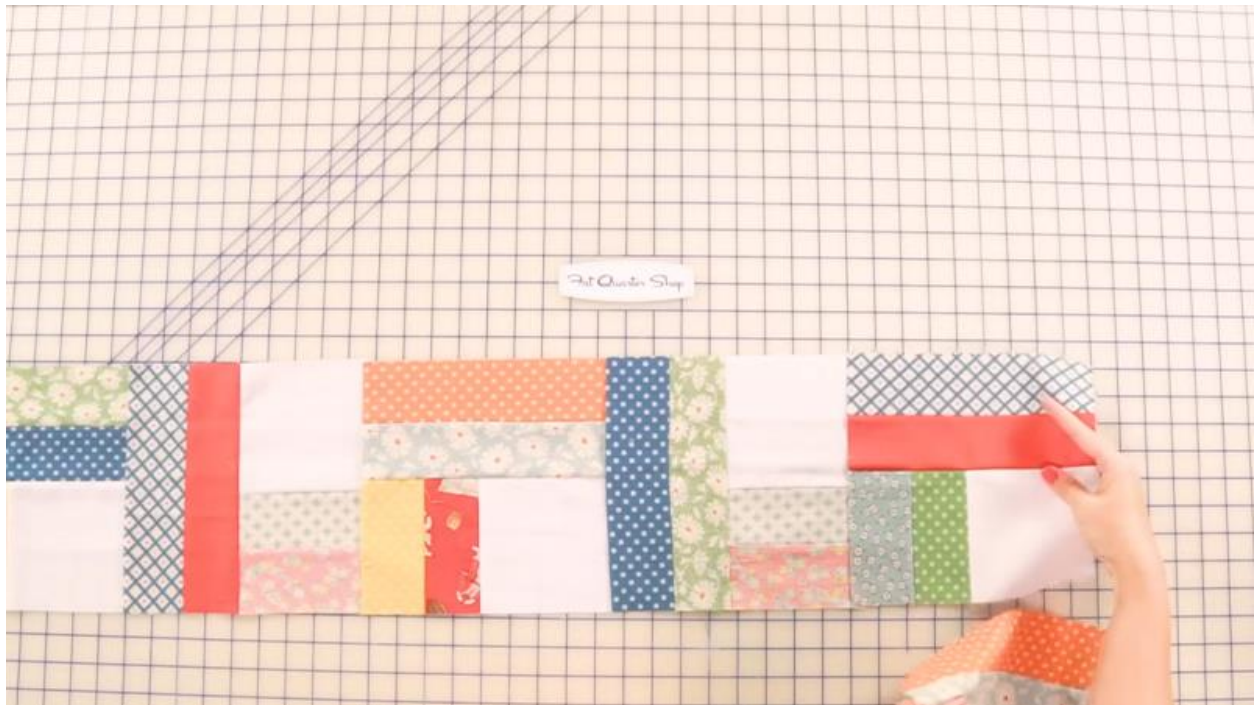

Key Unit Measurements:

- **Strip Set:** 4 ½" x 42".
- **Long Piece Unit:** 4 ½" x 9" (forty-four made).
- **Short Piece Unit:** 4 ½" x 5" (forty-two made).
- **Twist Block:** 9" x 9" (forty-two made).
- **Twist Row:** 9" x 51 ¼" (seven made).
- **Quilt Center:** 51 ¼" x 60".
- **Finished Size:** 51 ¼" x 60".

Abbreviations Used:

- **F A / F B / F C** → Fabric A, Fabric B, Fabric C
- **JR** → Jelly Roll
- **CP** → Charm Pack
- **WOF** → Width of Fabric
- **SS** → Strip Set
- **LPU** → Long Piece Unit
- **SPU** → Short Piece Unit
- **TB** → Twist Block
- **TR** → Twist Row
- **QC** → Quilt Center

Instructions for Making the Jelly Roll Twist Shortcut Quilt Pattern:

Cutting Instructions

Careful cutting ensures your blocks come together accurately. Remember to use $\frac{1}{4}$ " seams and press as arrows indicate throughout the process.

- **F A (Jelly Roll or Strips):**
 - From your F A JR or thirty-four $2\frac{1}{2}$ " x WOF strips, you will create seventeen "Strip Sets" (SS). These SS will be your base for the next cuts.
 - **Long Piece Units (LPU):** From eleven of your SS, subcut each SS into four rectangles measuring $4\frac{1}{2}$ " x 9". Each LPU should measure $4\frac{1}{2}$ " x 9". You will make a total of forty-four LPU, though you will not use two of them in the final quilt.
 - **Short Piece Units (SPU):** From the remaining six SS, subcut each SS into seven rectangles measuring $4\frac{1}{2}$ " x 5". Each SPU should measure $4\frac{1}{2}$ " x 5". You will make a total of forty-two SPU.
- **F B (Charm Pack or Squares):** If using a CP, your F B squares are already cut to 5". If using yardage, cut forty-two 5" squares.
- **F C (Binding):** Cut your $\frac{1}{2}$ yard of F C binding fabric into seven $2\frac{1}{2}$ " x WOF strips.

Assembly Instructions

Follow these steps precisely to assemble your quilt, pressing seams as indicated by arrows for best results.

- **Create Strip Sets (SS):**
 - Take two different F A strips and assemble them together.

- Each resulting SS should measure $4\frac{1}{2}'' \times 42''$.
 - You will need to make seventeen SS in total.
- **Subcut LPU & SPU from SS:**
 - Refer to the "Cutting Instructions" above for precise details on subcutting your SS into forty-four LPU ($4\frac{1}{2}'' \times 9''$) and forty-two SPU ($4\frac{1}{2}'' \times 5''$).
- **Assemble Twist Blocks (TB):**
 - To create each TB, you will assemble one SPU, one F B square, and one LPU.
 - The finished TB should measure $9'' \times 9''$.
 - You will need to make forty-two TBs.
- **Assemble Twist Rows (TR):**
 - Lay out and assemble six TBs side-by-side to form a TR.
 - Each TR should measure $9'' \times 51\frac{1}{4}''$.
 - You will make seven TRs in total.
- **Assemble Quilt Center (QC):**
 - Once you have all seven TRs, assemble them together to form the Quilt Center.
 - The assembled QC should measure $51\frac{1}{4}'' \times 60''$.

Finishing

Complete your quilt with binding and desired quilting.

- **Prepare Binding:** Piece the seven F C strips end to end to create your continuous binding strip.
- **Quilt and Bind:** Quilt your project as desired, and then attach the binding to finish the edges.

Important Notes

- All seams should be $\frac{1}{4}''$.
- Press seams as indicated by arrows throughout the pattern.
- This pattern is intended for personal use only. Duplication or reproduction of any kind, or commercial use, is prohibited without express written permission from the Fat Quarter Shop.
